Summer Bash 2008

Evening twilight bounced off of cool blue lighting and cascading white drapery as a mix of Atlanta's VIPs crowded into the **Park Tavern** for **Cumulus Media Inc.** and **JEZEBEL** magazine's third annual **Summer Bash**. Guests mingled while sipping on summer cocktails and indulging in delectable samples brought by select restaurant picks from **JEZEBEL's** 100 Best Restaurants list. Thanks to **Eclipse di Luna**, **Aquaknox**, **Seasons 52**, **Repast** and **Allegro** guests dined on an enticing variety of tasty morsels all evening long. The dancing began as singer/songwriter **Sara Bareilles** kicked off the night with an outstanding performance, serenading guests with hits from her album *Little Voice*. The party didn't stop as the evening's headliner, **Maroon 5**, took the stage with lead singer **Adam Levine** rocking out front and center. Singing hits from their first and second albums, like "Harder to Breathe," "Secret" and "Won't Go Home Without You," the band was having such a good time, they even stayed for an encore! Afterwards, Atlanta's biggest media players, clients and friends danced to the sounds of celebrity **DJ Splyce** from Los Angeles until late into the night. This summer bash wasn't just great, it was a party for the ages!
